

Employee Benefits Package

Thank you for being a part of CBSS. This overview explains the core benefits available to our team — written simply, so you can see the full value of working here.

Universal Team Guide | Effective 2026 | Confidential — for CBSS employees and eligible new hires

Welcome to the team. At CBSS we take care of the people who take care of our customers. The package below is the standard company offering: health coverage, retirement, ownership, faster pay, and travel and everyday rewards. Plan booklets and official documents always control the details.

Health & Everyday Protection

MEDICAL

Company insurance

CBSS provides medical insurance so you and your eligible family members have a clear path to routine care and major medical needs.

- Employee medical coverage through the company plan
- Dependent coverage available at enrollment
- In-network care and preventive visits as the plan allows

VISION & DENTAL

Vision and dental

Standard vision and dental coverage sits alongside medical so annual checkups, glasses, and dental work are part of the package — not an afterthought.

- Vision exams, lenses, and frames per plan allowances
- Dental preventive, basic, and major services per the schedule
- Family enrollment during open or new-hire enrollment

TAX-ADVANTAGED

HSA

A Health Savings Account lets you set aside pre-tax dollars for qualified medical expenses. Unused funds stay with you and can grow over time.

- Pre-tax contributions when you are in an HSA-eligible medical plan
- Use for deductibles, prescriptions, and other IRS-qualified costs
- Your account is portable if you change roles later

TAX-ADVANTAGED

FSA

A Flexible Spending Account is a simple way to pay eligible health or dependent-care costs with pre-tax pay.

- Health care FSA for qualified out-of-pocket expenses
- Dependent care FSA where offered for eligible childcare costs
- Elect during enrollment; use funds in the plan year as the rules allow

Retirement & Ownership

401(K)

Company 401(k) with a 3% match

CBSS offers a traditional 401(k) so you can invest for retirement directly from payroll. The company match is straightforward:

- **3% company match:** CBSS matches 100% of the first 3% of eligible pay you contribute.
- Example: if you earn \$50,000 and contribute at least 3% (\$1,500), the company adds \$1,500.
- Contributions are pre-tax, which can lower current taxable income.
- You choose your contribution rate and investment mix from the plan menu.
- Enrollment, eligibility, and vesting follow the official 401(k) plan document.
- Loans, hardship withdrawals, and rollovers are available only as the plan and IRS rules allow.

OWNERSHIP

Company stock and crypto

Eligible team members may participate in CBSS ownership-style benefits. That includes company stock programs and company-sponsored crypto participation when those programs are offered for your role.

- Company stock / equity participation as granted by leadership
- Crypto / digital-asset benefits through approved company channels only
- Awards, timing, and any holding rules are set in the grant or program paperwork

Pay, Banking & Everyday Rewards

REVOLUT PARTNERSHIP

Revolut benefits and same-day pay

CBSS partners with Revolut so you can get paid faster and manage money on a modern platform.

- **Same-day pay** so earned wages can hit your account the same day, when you opt in
- Revolut account and card tools for spending, transfers, and balances
- Faster access to your pay versus a traditional wait-until-Friday cycle
- Standard banking protections and program terms apply through Revolut

SERVICES & REWARDS

Discount Tire

Team members receive services and rewards through Discount Tire — a practical benefit for the miles we put on the road.

- Employee pricing and reward offers on tires and related services
- Access through the CBSS / Discount Tire partner channel
- Present your employee offer at participating Discount Tire locations

LODGING
