

Total Rewards and Benefits Guide

Thank you for being a part of CBSS. This is the company-wide picture of how we take care of our people — the same class of health, retirement, pay, travel, and leadership opportunity you expect from a serious American company.

National + global reach

Containers and logistics, delivered at enterprise scale

Fortune-grade partners

Choice Hotels, Delta, American, United, Revolut, Discount Tire

Total rewards

Health, 401(k), ownership, same-day pay, travel, leadership

Leadership path

Contests that unlock bigger pay, 401(k), and benefits

Welcome to the organization. CBSS is built like a real operating company: a standard benefits platform for every eligible team member, enterprise vendor relationships for travel and pay, and a leadership track that is not a poster on the wall. If you perform, you can move. If you win the contests we run for leadership, the package gets larger — pay, retirement, and benefits included.

Unique leadership opportunities

ADVANCEMENT

Leadership is a paid path, not a title you wait on

CBSS runs unique internal leadership opportunities so high performers can step into larger seats — sales leadership, operations leadership, and company-level responsibility — without leaving the organization to get ahead. These are structured contests and advancement windows, reviewed by ownership. Winners do not just get a new name on a card. They contest, and unlock, bigger payment options, stronger 401(k) options, and improved benefits.

LEADERSHIP CONTESTS

Win the contest. Upgrade the package.

When you compete in a CBSS leadership contest and place, the company can move you onto an improved rewards tier. That is how we keep our best people inside the building.

Bigger payment options

Higher leadership pay bands, contest bonuses, and expanded commission or override structures reserved for contest winners and promoted leaders.

Stronger 401(k) options

Contest and leadership advancement can unlock improved 401(k) treatment above the standard 3% company match — including enhanced match opportunities and expanded contribution options as the plan allows.

Improved benefits

Upgraded medical, vision, and dental elections, larger HSA / FSA room where eligible, priority travel, and increased company stock / crypto participation.

Standard benefits below are the company floor. Leadership contests are how the ceiling moves. Official contest rules, plan documents, and grant paperwork set the exact numbers for each cycle.

Health and protection

Every eligible employee starts on a complete health platform — medical, vision, dental, and tax-advantaged accounts. This is the corporate baseline. Leadership contest winners may be moved to improved benefit elections when those upgrades are offered for that cycle.

MEDICAL

Company health insurance

CBSS provides medical insurance so you and eligible family members have a defined path to routine care and major medical needs, through a company-sponsored plan.

- Employee medical coverage on the company plan
- Dependent coverage available at enrollment
- In-network care and preventive visits as the plan allows
- Leadership-tier upgrades available after qualifying contests

VISION AND DENTAL

Vision and dental

Vision and dental sit beside medical so annual exams, glasses, and dental work are part of the package — the way a national employer runs it.

- Vision exams, lenses, and frames per plan allowances
- Dental preventive, basic, and major services per the schedule
- Family enrollment at new-hire or open enrollment
- Improved allowances may attach to leadership tiers

TAX-ADVANTAGED

Health Savings Account (HSA)

Set aside pre-tax dollars for qualified medical expenses. Unused funds stay with you and can grow.

- Pre-tax contributions on an HSA-eligible medical plan
- Use for deductibles, prescriptions, and IRS-qualified costs
- Portable if your role changes

TAX-ADVANTAGED

Flexible Spending Account (FSA)

Pay eligible health or dependent-care costs with pre-tax pay through a standard corporate FSA.

- Health care FSA for qualified out-of-pocket expenses
- Dependent care FSA where offered
- Elect during enrollment; use funds in the plan year as rules allow

Retirement, match, and ownership

401(K)

Company 401(k) — 3% match, with contest upgrades

CBSS offers a traditional 401(k) so retirement is funded from payroll, the same way a large American company does it. The standard match is simple. Leadership contests can improve it.

- **Standard company match:** CBSS matches 100% of the first 3% of eligible pay you contribute.
- **Example:** on \$50,000 of eligible pay, a 3% deferral is \$1,500 and the company adds \$1,500.
- **Leadership / contest 401(k) options:** placing in a leadership contest, or moving into a leadership seat, can unlock improved 401(k) options — a richer match opportunity, additional contribution room, or other plan features as that year's program and the plan document allow.
- Contributions are pre-tax and can lower current taxable income.
- You choose your deferral rate and the investment mix from the plan menu.
- Enrollment, eligibility, vesting, loans, hardships, and rollovers follow the official 401(k) plan and IRS rules.

OWNERSHIP

Company stock

Eligible team members may receive company stock / equity participation as granted by ownership. Leadership contest winners are first in line for larger grants when those programs are open.

OWNERSHIP

Company crypto

CBSS may offer company-sponsored crypto / digital-asset participation through approved channels only. Leadership tiers can carry larger allocations. Grant paperwork controls timing and any holding rules.

Pay, banking, and everyday rewards

REVOLUT PARTNERSHIP

Revolut benefits and same-day pay

CBSS partners with Revolut so compensation clears like a modern enterprise payroll — not a wait-until-Friday shop.

- **Same-day pay** so earned wages can hit your account the same day when you opt in
- Revolut account and card tools for balances, spending, and transfers
- Leadership contest payouts and upgraded payment options can run through the same channel
- Revolut program terms and banking protections apply

SERVICES AND REWARDS

Discount Tire

Team members receive services and rewards through Discount Tire — a national partner for the miles this work puts on the road.

- Employee pricing and reward offers on tires and related services
- Access through the CBSS / Discount Tire partner channel
- Present the employee offer at participating locations

Corporate travel network

LODGING — CHOICE HOTELS

Corporate lodging across 22 Choice brands and partners

CBSS books lodging through **Choice Hotels** and Choice Privileges. That is a national and international hotel system: upscale flags for client work, extended-stay for longer jobs, and value brands when the assignment is simple. One corporate relationship. One loyalty program. Coverage in the cities we actually work.

AIR TRAVEL

Flight discounts — Delta, American, United

CBSS carries corporate / partner fare relationships with the three U.S. majors we use for business travel:

- **Delta Air Lines** — corporate / partner fares on eligible routes
- **American Airlines** — corporate / partner fares on eligible routes
- **United Airlines** — corporate / partner fares on eligible routes

Book work travel through the company process so the discount and the correct billing attach. Leadership travel may use improved booking classes when that tier is awarded. Personal leisure use, if allowed, follows the same partner rules.

How the package works

ENROLLMENT

Getting started

- New hires enroll in the new-hire window
- Current team members update at open enrollment or after a qualifying life event
- Ask HR / leadership for current carriers, rates, and logins

CONTESTS

Leadership cycles

- Contest rules are published for each cycle
- Placement can unlock bigger pay, 401(k) options, and benefits
- Awards are confirmed in writing before they attach to payroll or the plan

SUPPORT

Questions

This guide is the company-wide picture. If something is unclear, ask before you enroll, travel, or enter a contest. We would rather walk it through than have you miss a benefit you already have.

This document is a general Total Rewards overview for employees and eligible new hires of CBGC LLC DBA CB Shipping Solutions (CBSS). It is not a contract of employment and does not guarantee any specific benefit, payment, contest award, match, fare, hotel rate, grant, or leadership seat. Medical, vision, dental, HSA, FSA, 401(k), stock, crypto, Revolut / same-day pay, Discount Tire, Choice Hotels, airline, leadership-contest, and improved-tier benefits are subject to eligibility, waiting periods, published contest rules, plan documents, carrier contracts, partner terms, and applicable law. The standard 401(k) match described here is 100% of the first 3% of eligible pay; any enhanced 401(k) option is available only if and when a leadership contest or advancement program awards it and the plan document allows it. Partner brand lists can change as Choice Hotels updates its portfolio. Official plan documents, contest rules, and partner agreements govern if there is any difference between this overview and those documents.
